PACIFIC MEN'S SOCCER SUPPORTERS CLUB

IN 2016 AND 2017
THE PACIFIC MEN'S
SOCCER TEAM
QUALIFIED FOR THE
NCAA NATIONAL
TOURNAMENT

The Pacific Athletic Foundation, Head Coach Ryan Jordan, and the Men's Soccer program have established the **Center Circle** to give friends of Pacific Men's Soccer greater access and connection to the program and provide increased financial support for the operations of the team.

As Men's Soccer at University of the Pacific continues to grow in stature, the Center Circle aims to engage alumni, parents, and community friends in support of the team's efforts to achieve regional and national success. In both 2016 and 2017, the team qualified

for the NCAA National Tournament advancing to the second round in both years and following the 2017 season, senior Tristan Blackmon became the first Pacific Tiger to enter Major League Soccer when he was selected #3 overall in the MLS SuperDraft by Los Angeles FC.

Pacific Men's Soccer is resolute in its desire to continue to recruit and develop top level student-athletes who are determined to grow the team's playing standard while continuing to succeed in the classroom and engage in the local community.

THE GOALS OF THE CENTER CIRCLE SUPPORTERS CLUB ARE TO:

- Create a foundation of current and former players, parents and community friends to participate in the program's success.
- Grow a network of diverse supporters who will feel a connection to and sense of ownership with Pacific Men's Soccer as their club.
- Develop the financial backing needed to create a fully funded program for our student-athletes.
