

PACIFIC WOMEN'S SOCCER THE HUDDLE

JOIN TODAY!

The Pacific Athletic Foundation, Head Coach Kerri Scroope, and the women's soccer program have established **The Huddle** to give friends of Pacific women's soccer greater access and connection to the program and to provide increased financial support for the operations of the team. The Huddle aims to connect alumni, parents and community friends in support of the team's effort to achieve regional and national success. The Pacific women's soccer team is coming off their best year since 2011. In 2013 Pacific joined the West Coast Conference a nationally competitive conference that sends two or more teams to the NCAA tournament each year. As the Pacific women's soccer team continues to move up in the WCC standings,

The Huddle will help support the team with recruiting, travel, and equipment. The Pacific women's soccer program is committed to creating well rounded student-athletes. This past season the team had 12 players recognized on the WCC All-Academic Team and the overall GPA was 3.48. The Pacific women's soccer program is committed to recruiting and developing top level student-athletes who are determined to grow the playing standard, while continuing to lead in the classroom and in the community. The program is committed to creating the next generation of woman leaders that young girls can look up to and use as positive role models.

THE GOALS OF THE HUDDLE ARE TO:

- Create a foundation of current and former players, parents and community friends to participate in the program's success.
- Grow a network of diverse supporters who will feel a connection to and sense of ownership with Pacific Women's Soccer as their club.
- Develop a financial backing that will allow for an enhanced experience for the student-athletes.

“Establishing the Huddle program is a great way to help the growth and success of our program. As we aim to compete in the WCC conference and move up the ranks to be a top tiered program, the support from our Huddle family will be indispensable. We are excited to increase the Women’s Soccer program’s supporters and fan base as we continue to compete and create an enhanced experience for our student-athletes.”
