CIRCLE

ELITE BOOSTER CLUB

PACIFIC TIGERS MEN'S BASKETBALL

"I deeply want to thank the Tiger Faithful for their unwavering commitment to myself, my staff, and most importantly our players. The funds raised this season through Damon's Circle directly correlate to the basketball product that we want to put on display in front of our loyal fans because the dollars raised directly impact our recruiting efforts. Our goal is to recruit nationwide in an effort to find the very best student-athletes for the Pacific Tigers Men's Basketball Program."

- Damon Stoudamire, Pacific Tigers Men's Basketball Head Coach

THE IMPACT OF DAMON'S CIRCLE

In 2016, the Pacific Athletic Foundation (PAF) and Coach Damon Stoudamire established "Damon's Circle." Now in its third season this elite booster club is designed to help increase the funding for the Men's Basketball program. Damon's Circle is for donors who financially contribute to the Men's Basketball program at the \$5,000 or above level annually.

Contributions raised from Damon's Circle may be designated to enhance the following:

- National Recruiting Efforts
- Team Travel
- Team Meals

Damon's Circle gives generous donors to Men's Basketball the best opportunity to make a huge impact on the program. The benefits are designed to offer a "VIP" setting as well as gain behind-the-scenes access to the coaches, staff, and team.
