WATER POLO U CLUB

BE PART OF THE EXCITEMENT

The Pacific Athletic Foundation, Head Coach James Graham, and the Men's and Women's Water Polo programs have established **Water Polo U Club** to give friends of Pacific Water Polo greater access and connection to the programs and provide increased financial support for the operations of the teams.

As the Water Polo programs at University of the Pacific continue to prove they are among the nation's elite, the Water Polo U Club aim to engage alumni, parents, and community friends in support of the team's efforts to achieve national success. The water polo programs have achieved

historic results over the last four years. The men's team was 2013 MPSF Conference champions, 2013 national runner up and has finished top four nationally three times. The women's team has moved up to number eight in the nation, was 2017 GCC Champions and made the program's first NCAA appearance.

Pacific's Water Polo programs are determined to provide the environment that has earned us the nickname of Water Polo U. We strive to set the standard in innovation, game day atmosphere, live stats and streaming, and development of the student-athlete.
