Be Part of the

GRAND SLAM CLUB

"It has always been my dream to have the opportunity to build a culture and lead a program as a head coach and impact the lives of young men. The Grand Slam Club is a great way for our supporters to enhance that culture by helping to provide the resources we need to be a top contender in the West Coast Conference."

A Message from Pacific Tigers **HEAD BASEBALL COACH RYAN GARKO**

Tiger Baseball Family,

As my staff and I head into year three, we look forward to building upon the foundation laid last year as we continue to grow the program on and off the field. With your help, we can achieve our goal of identifying and recruiting talented young players throughout the country and giving them the student-athlete experience they deserve while at the University of the Pacific. We hope to bring in the best players that will take us to the West Coast Conference tournament, and ultimately help us make the program's first ever NCAA tournament appearance.

The Grand Slam Club will allow you, our supporters, alumni, and fans, to partner with our program during the 2020 season and embark on this journey with us to create a program of sustained on-field success.

Thank you again for your generosity and support. I hope to see you at Klein Family Field soon.

Go Tigers!
